Coronavirus Update

The numbers of children and staff contracting Coronavirus is steeply rising. Up to now we have had four members of staff either having had the virus or currently suffering. The numbers of cases amongst children is also rising, with Year 4 being a hot spot.

We are working hard to keep the school safe and open. Please help us by:

- Not sending your child into school if you are in any doubt as to whether they are ill. Please keep the school informed of your situation if you become unwell and ask if you need further information or advice. The NHS information is helpful: https://www.nhs.uk/conditions/coronavirus-covid-19/
- If you or your child has any symptom of the virus immediately seek a PCR test and wait until you have the result before coming back to school
- If you or your child are a close contact of someone testing positive please follow the recommendation of testing daily using lateral flow tests for seven days
- Wearing a mask on the school site
