This week we will be introducing the sounds 'g' 'o' 'u' 'l'. We will use Jolly Phonic actions and songs to help support the learning. The next tricky word we will be learning is 'the'.

Maths

This week the maths focus will be finding one less than a given number. We will also practise forming numerals correctly particularly numbers 1-5.

What can you do at home?

1. **Please help your child practise the sounds** and make sure the sound book is in their book bag the following Thursday so the new sounds can be stuck in.
2. Look for the word 'the' in different books.
3. **Practise counting and reading numbers to 10/20 or beyond.** Can your child say which number is one more and one less than a given number?
4. **Keep practising name writing using the school script.**
5. **Practise putting on and taking off coats (zips) and jumpers, some children are finding it particularly difficult when sleeves are inside out.**

Action points

- ★Show & Tell is this Friday for Group 1 and the theme is 'Autumn'. The children can bring in autumn objects collected from a walk, photos of them on finding autumn objects or they can make an autumn picture using autumn objects. It is up to you, you can be as creative as you like.
- ★PE is on Mondays this half term with a coach. Please ensure that your child has a PE bag in school with the correct uniform and all items are named.
- ★We will visit the Library every Tuesday. Your child will choose one book to share at home. Please return the book the following Tuesday so your child can choose a new one.
- ★Please ensure that your child has a named water bottle in school every day.
- ★We provide fruit and milk for a mid-morning snack. There is usually a variety of fruit and vegetables available. If you prefer to provide a healthy snack, please make sure it is clearly labelled with your child's name.
- ★Please collect junk materials; we particularly need boxes (no bigger than a cereal box), yoghurt pots, bottle lids, corks and paper tubes.
