

YEAR 4 CLASS NEWS

Week beginning October 14

Everyone seemed to have a good time at the Film Night in Year 4 last Thursday after school. Thank you to the parents who organised it.

We are starting to prepare for the class assembly which is on Tuesday November 5 – the first week back after half term. Please encourage your child to learn their words (but don't look at them yourself or you will ruin any surprises!). We will be doing lots of planning for this during the week as I want the children to be heavily involved in what we do and say. I hope to see lots of you there.

Upcoming events:

October 22nd Windsor Museum and Castle. I have a volunteer for this (thank you!).

Year 4 class assembly will be on Tuesday November 5.

November 7th Harry Potter Studios. I now have quite a few volunteers for this so thank you to those people. I will be confirming this soon. We may have to draw names out of a hat!

Kind regards

Mrs O'Neal

Homework

Homework is usually handed out on Wednesdays and should be handed back in (or completed online) by Monday morning in order to achieve the completed on time "tick". Sometimes, we have had to hand some homework out on Thursdays because of projects and trips etc on Wednesdays. Please be aware that sometimes this might happen.

Maths

The children will be looking at rounding decimals to the nearest whole number and multiplying them by 10 and 100.

English

We will be writing a persuasive letter to Mrs Lovegrove on an issue very close to our hearts. Hopefully she will be persuaded to agree with us.

PE

The children will be having a session on Fridays with a visiting teacher doing invasion games.

French

We have learned how to give someone else's name and we will move on to using words to describe people.

Computing

Year 4 will be investigating how to make characters move, get bigger and appear and disappear using timer.

RE

We will look at the Mezuzah and why Jewish people put them outside their houses.

Music

Mr Manners will be continuing his music sessions which happen on a Monday.

Mrs Doran will be teaching the children science.

Kind regards

The Year 4 Team

Mrs O'Neal (teacher)

Mrs Brown
