

YEAR 4 CLASS NEWS

Week beginning October 15

Well done to all the Bikeability students who enjoyed learning to become more confident on their bikes last week.

The trip to the Harry Potter Studios is drawing close. We are aiming to leave school as close to 8.45am as possible. Could all the children be at school by 8.45am, ready to come in promptly. It would really help if they have all been to the toilet before coming to school as lots of children needing to go will hold us up and reduce our time at the venue. Please ensure your child has a fully disposable lunch as we will find it difficult to accommodate plastic boxes and drink bottles. If the weather is cold and wet, they will obviously need a coat. We are all very excited about this fantastic trip and very much looking forward to it.

We will be doing our Star Spellings tests this week, so please encourage the children to practise as they really enjoy moving on to the next challenge.

Harvest Festival is at Holy Trinity Church on Tuesday, October 16 at 9.30am. Please note that all donations must be non-perishable and not made of glass.

Next Friday, October 19, is of course a training day so no school for the children!

Kind regards
Mrs O'Neal

Homework

Homework is usually handed out on Wednesdays and should be handed back in (or completed online) by Monday morning in order to achieve the completed on time "tick". Sometimes, we have had to hand some homework out on Thursdays because of projects and trips etc on Wednesdays. Please be aware that sometimes this might happen.

Maths

Maths this week will focus on counting in multiples of 6,7,9,25,50 and 100.

English

In English we will be continuing our unit of work on persuasive writing. We will be trying to persuade a teacher from another school that the Harry Potter Studios are worth visiting!

PE The children will be having their Thursday session with Mr Smith. Mr Brown will also be coming in on Tuesday to carry on with his team building work.

MUSIC Mr Manners is continuing his singing workshops, although this week we will have to miss it due to the Harry Potter Studios trip.

Science and Computing will be taught by Mrs Forward and Mrs Flynn. Mrs Forward will also be teaching PSHE.

Kind regards

The Year 4 Team

Mrs O'Neal (teacher)

Mrs Bates
