YEAR 4 CLASS NEWS

Week beginning September 23

It was great to see lots of parents at the Y4 meeting last week. The Welcome Meeting powerpoint will, at some point soon, be put on the website so you can look back at anything you can't remember.

Homework was amazing last week as everyone handed their work in on time. A few people had forgotten about TT Rockstars, so they were given a little leeway. However, this will be counted as a required part of homework from this week onwards.

I hope you all managed to see your child's spelling and tables results on the front cover page of the homework folder.

A reminder that we are reading Harry Potter and the Philosopher's Stone in class, in case your child wants to bring the book in and read along.

We have two trips booked:
Windsor Museum and Windsor Castle on October 22 and the Harry Potter Studios on November 7.

We are also planning to go to a sports competition on Thursday October 3. We will need ONE parent helper to go to Windsor Girls School with us at about 12.15pm. The event will be finished by 2.30pm and we will then walk back to school in time for 3.15pm. Please let the school office know if you can help.

Kind regards
Mrs O'Neal

Homework

Homework is usually handed out on Wednesdays and should be handed back in (or completed online) by Monday morning in order to achieve the completed on time "tick". Sometimes, we have had to hand some homework out on Thursdays because of projects and trips etc on Wednesdays. Please be aware that sometimes this might happen.

Maths

Year 4 will continue to look at rounding numbers and then move on to count up in multiples of 6,7, 9.

English

We are starting a new unit on persuasive writing. This will be taught through the Harry Potter project. This week we are looking at co ordinating conjunctions and apostrophes.

PE

The children will be having a session on Fridays with a visiting teacher. I will be doing a weekly session on Outdoor and Adventurous activities.

Topic

This is a geography unit called “Settling in the UK”. This week the focus will be hills and mountains of the UK.

PSHE

We will be looking at Rights, Responsibilities and Democracy this week.

Computing

The children will be continuing a crash course on coding using Purple Mash.

Art

Year 4 will be looking at how to shade and create light and dark.

Mrs Doran will be teaching the children science.

Kind regards
The Year 4 Team
Mrs O’Neal (teacher)
Mrs Brown
