

YEAR 4 CLASS NEWS

Week beginning November 25

We are busy practising for our Nativity performance on December 9 at 6pm. Please could you ensure your child is confident with the words they are saying. Could they also please practise the words for our Year 4 songs. I am presuming that everyone is able to attend the Nativity. Please let me know as soon as possible if you cannot attend, as we will need to re-allocate any words. Thank you.

We also have the Christingle on Sunday December 1 at 3pm. It will be lovely to see everyone at the service.

Kind regards
Mrs O'Neal

Homework

Homework is usually handed out on Wednesdays and should be handed back in (or completed online) by Monday morning in order to achieve the completed on time "tick". Sometimes, we have had to hand some homework out on Thursdays because of projects and trips etc on Wednesdays. Please be aware that sometimes this might happen.

Maths

We are looking at formal written addition, using the methods outlined on the school's calculation policy. We will also be trying our hand at problem solving using addition.

English

Year 4 will continue to look at asking useful questions and how to punctuate dialogue.

PE

The children will be having a session on Fridays with a visiting teacher. They will also be doing dance on Monday mornings with a visiting coach.

RE

This term, Mrs Doran will be teaching the RE unit on the Nativity.

Computing

We will be looking at the data loggers and finding out how to use them to create graphs.

Science

The children will be investigating sound waves and how they change according to changes in pitch and volume.

PSHE

Year Four will be starting the new Celebrating Differences unit this week. We will look at "Understanding influences".

Kind regards

The Year 4 Team

Mrs O'Neal (teacher)

Mrs Brown
