

YEAR 4 CLASS NEWS

Week beginning May 6

I hope you all enjoyed a restful bank holiday.

Last Friday we went through the production with all the songs so that the children now know the story and the different characters. I have handed out a piece of playscript. Anyone wishing to audition for a main role in the play needs to learn the part of Jack. I will take on the role of Goldie for the auditions. I am planning to hold these next Wednesday, May 8. Any help you can give with learning the lines and developing expression etc would be very useful.

Remember class photos on Tuesday, May 7.

Mrs O'Neal

Homework

Homework is usually handed out on Wednesdays and should be handed back in (or completed online) by Monday morning in order to achieve the completed on time "tick". Sometimes, we have had to hand some homework out on Thursdays because of projects and trips etc on Wednesdays. Please be aware that sometimes this might happen.

Maths

We have enjoyed our data handling investigations. We will now be looking at measuring, estimating and converting using mass, capacity and length.

English

The children will be writing to Mrs Lovegrove with the results of our data handling investigation. We will then be starting to write our own playscripts.

Art

Year 4 will be creating colourful, positive pictures on the theme of "friendship".

RE

The children will be thinking about at what age Jewish people make a commitment to their religion.

PE

The children will be having their Thursday session with Mr Smith.

French

We will be learning the names of snacks and thinking about how we ask for them.

Science

Year 4 will continue to look at classification of animals, thinking about the different groups that animals can be classified into. This week we will focus on invertebrates.

PSHE

This week we will be thinking about how we feel when we lose someone or something we love.

Computing will be taught by Mrs Flynn.

Kind regards

The Year 4 Team

Mrs O'Neal (teacher)
